

Now that you have your customized JP decal, learn how to easily apply it!

Easy to Apply Directions:

1. Always iron on a hard, flat surface (no padded ironing board).
2. Peel off the white backing of the design.
3. Place the sticky side down onto fabric.
4. Put the pressing cloth over the design.
5. Set your iron on a wool setting - NO STEAM.
6. Place your iron on the pressing cloth on top of the design.
